

You can develop both your skills and your career path while meeting new connections and gaining valuable experience. As a member, you can benefit from reduced member rates for events, specialized continuing education, and resources. Whether you are new to the industry or a seasoned professional, STC Alberta membership offers a great return on your investment.

The Alberta Chapter of the Society for Technical Communication is a network of professional technical writers, editors, illustrators, researchers, multimedia content experts, and other professionals in the field of technical communications and information design.

As a member, you will gain access to a wealth of resources that will enable you to meet any challenges in this growing field. We are here to support our members, whether you are looking to fine tune your skills, gain some practical experience, or simply network with other professionals in the field.

CONTACT US

Our connections with other affiliate professional organizations have been growing stronger by the year. You don't need to live in Alberta to be a member of our organization.

EXCLUSIVE MEMBER BENEFITS

JobLink

JobLink is our members-only job posting board. You can view the details of current opportunities posted by employers who are looking for technical communication professionals.

Salary Guide

Members get a free copy of our salary survey, containing geographically relevant salary information.

HOW TO BECOME A MEMBER

Complete the application and payment. You are on your way to gaining valuable skills and knowledge for your career.

1. Visit www.stc.org
2. Click Membership > Join or Renew
3. Choose STC ALBERTA as your chapter.

PROFESSIONAL DEVELOPMENT

Volunteer

Get involved! If you are looking to hone your skills, volunteering is an excellent way to develop your knowledge and expand your current skill set. Working with other professionals is also a great way to enhance your reputation within the community.

Programs

Attend programs on the latest theory, tools, and techniques in technical communication.

Webinars

Seminars presented online and via audio-conference will help to prepare you for challenges that might arise in the workplace.

New Heights

Attend seminars presented by recognized industry leaders at a reduced member rate.

Social and Networking Events

Join us for coffee and pub nights in Calgary or Edmonton. This is a great way to network and have some fun while you're at it!

Contribute Online

Our newsletter, *SuperScript*, keeps you informed about industry news and upcoming events. Members can also submit articles for publication, start a discussion on LinkedIn, or tweet.
