

# Post a Position on JobLink

STC Alberta is a professional network of technical communicators from across Alberta, and our JobLink service is your means of recruiting these technical communicators. Employers can post openings for full-time, part-time and contract technical communicator positions on JobLink free of charge. STC Alberta informs our members of these openings. Our members then log on to a secured area of our website to view the openings' details and apply directly to you.

To find your next employee or contractor, fill out this form, save the PDF file and email it to [joblink@stc-alberta.org](mailto:joblink@stc-alberta.org).
